

Testimony of

Melanie Sola

Wallingford Educator

Before the

Education Committee

March 15, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of House Bill 6884. This bill takes important steps toward addressing the educator shortage in Connecticut, showing educators that theirs is a respected profession, and ensuring that our classrooms and schools can provide the best possible education for our students.

This bill needs to be passed for the betterment of teachers and to keep qualified teachers.

Thank you for your time and consideration.
